Brenda! For more information, read the [article](#).

## Upcoming Event

[North Shore Technology Council](#), in collaboration with BlueWave Solar, is hosting a forum luncheon on **Wednesday, September 11 from 11:30 AM to 1:00 PM**. The event, to be held at 48 Dunham Ridge, Suite 1000, will feature Alan Robertson, senior director of C&I Development, and Rebecca Noyes, analyst. The topic is "Community Shared Solar Options for Commercial and Municipal Organizations." For more information, or to register, visit the [website](#).

## Friendly Reminders

**Emailed Invoices:** Cummings Properties has transitioned to sending invoices via email. Invoices are emailed to each client firm from our corporate accounting department in Woburn ([accounting@cummings.com](mailto:accounting@cummings.com)). If you are not receiving invoices, it is possible that this email address was not recognized by your system, and the invoices might have gone to your junk mail or spam folder. Alternatively, we may not have the appropriate contact on file. Please call your account manager at 978-922-9000 with any questions.

**Lockout Policy:** Have you provided a spare key to the leasing office at 100 Cummings Center? If so, your account manager will be able to loan the spare key to anyone whose name is listed on your company's Emergency Contact form. If clients need to update this list, please fill out a new [Emergency Contact form](#), have the updated form signed by an authorized company representative, and return it to the leasing office at 100 Cummings Center, Suite 107-L.

## Business Spotlight

[Akribis Systems](#), 100 Cummings Center, Suite 212-D, has been a member of the Cummings Center community since 2015. It designs and manufactures direct drive motors, stages, and precision systems that are used in equipment for manufacturing, inspection, and testing. Akribis services a variety of industries, including semiconductor, solar, flat panel, hard disk, LED, printed circuit board, printing, photonics, biomedical manufacturing, and more. Its commitment to the innovation and development of new technologies has resulted in 34 patents. For additional information, visit the [website](#).

If you no longer wish to receive our emails, you may [unsubscribe](#). Unfortunately, if you unsubscribe, you **will not** receive important building notices, such as water and electric shutdowns or fire alarm testing.
