## Friendly Reminder

**Building and Campus Access:** Cummings Center has a long-standing practice of placing reasonable limits on access to common entrances of buildings during "off hours." While all resident firms have key access to the buildings and their own premises 24 hours per day, 7 days per week, building common entrances are typically locked as follows:

- Monday through Friday - from approximately 9 PM to 6 AM
- Saturdays - beginning at approximately 6 PM
- Sundays - all day

Each evening, the secondary entrances to Cummings Center (i.e., the gates at Balch and McKay streets) are closed, and access to the entire facility is directed through the Route 62/Elliott Street entrance. Secondary entrances remain closed all day on Sundays.

Resident firms may provide keys to building entrances and/or their premises to as many or as few of their employees as desired. Resident firm [Secure Lock and Alarm](#), 100 Cummings Center, Suite 107-F, 978-927-6400, is a convenient source for additional keys.
