Woburn client firm [Agrivida](#) recently expanded and consolidated its operations into 20,000 square feet at 78 Olympia Avenue. The animal nutrition agritech company wanted a single facility that could house its business, research, and agriculture functions, including a series of indoor growing rooms. "I've worked with Cummings for more than 10 years; they collaborated with us on a previous site expansion, so I had complete confidence in

their ability to create the ideal grow rooms and lab," said Agrivida founder and president Dr. Michael Raab. For more information, check out the [blog](#).
