Noteworthy News

Shuttle Update: [North Shore TMA](#), 100 Cummings Center, Suite 342-G, has announced that the shuttle service from Beverly Depot train station is scheduled to begin in early April. The current plan is for the shuttle, which seats up to 30 passengers, to run four times during the peak morning and evening commutes. In the morning, buses will pick up passengers at Beverly Depot and make stops at Cummings Center, Cherry Hill, and Trask Lane (Cell Signaling). The shuttle will make these stops in reverse order during the evening commute. The bus will make two stops at Cummings Center, one at the south end near Acapulcos and one at the north end of campus by Balch Street. For more information, contact Andrea Leary at 978-801-1927.

Friendly Reminders

Need Last-Minute Gift Ideas? Remember your neighboring merchants as you plan your Valentine's Day shopping. Cummings Center is home to many different businesses with a variety of fine offerings. Check out the [Client Directory](#) to discover all that is offered, now and throughout the year.

Take it Slow! Cummings Properties recently agreed to allow use of the North Lot, along Balch Street, for the drop-off and pick-up of students at the new Beverly Middle School through the end of the school year. With the growing number of people on site, it is critical to follow proper driving etiquette. Motor vehicle operators should observe the **10-MPH speed limit** at all times, as well as heed all traffic signs, pedestrian crossings, and speed bumps. Please advise employees and visitors to *drive with caution*.

Business Spotlight

[Alpaqua Engineering](#), 100 Cummings Center, Suite 424-A, has been a member of the Cummings Center community since 2011. Alpaqua is a global provider of tools for accelerating genomic applications such as NGS, nucleic acid extraction and clean up, exome capture, and molecular diagnostics. Available products include a variety of magnet plates, tube racks, and automation accessories. For more information, visit the [website](#).
