## Blog Bites

At first, it seemed like a typical week at Cummings Properties' Woburn headquarters. The background hum of office equipment and busy conversations, broken only by the louder call of ringing phones. Then chants of "Go, Woburn!" and "Team Stoneham!" bolstered by cowbells and applause rippled through the office. The excitement and drama unfolding on the ice rinks and ski

slopes of Pyeongchang, South Korea during the Olympic Games had spread to colleagues at Cummings Properties. The Office Olympics were on! To learn more about this fun lunchtime team-building event, [read the blog](#).
