## Friendly Reminder

**Important Parking Reminder:** Most parking spaces immediately adjacent to Cummings Center buildings are designated for short-term use only. These short-term spaces are expected to turn over frequently and thereby provide convenient building access to visitors and patrons of our 600+ on-site businesses. Short-term spaces are identified by signage and are monitored throughout the day. **Reminder/violation stickers will be placed on vehicles parked for extended periods, and repeat violators will be towed at the expense of the vehicle owner.**

Employees of on-site businesses, and others whose vehicles are expected to be on site for significant periods, are encouraged to park in one of Cummings Center's four large garages or in open lots away from the buildings, where there is ample parking available throughout the business day. ## After A Decade

(Left to Right) Billy Luker, Account Manager Justin D'Aveta, Janae Rodriguez, Renee Rodriguez, Austin Bradshaw of NSFFL, and Danielle Dennis.

Austin Bradshaw started [North Shore Flag Football League](#) in a home office. After some time, his wife made the executive decision that it was time for NSFF to find a new home. He looked at a number of options in the area, but nothing compared to the convenience and location of Cummings Center.

NSFFL organizes flag football leagues for kids aged 4 through 18, and adults of all ages. In its first season, it had 32 local kids divided into four teams. "We have grown a lot over the last 10 years at Cummings Center. Now, we have 400 teams, with members from all different counties," Austin explained.

Including Austin, NSFFL has five employees. They are located at 100 Cummings Center, Suite 224-G. "Cummings Center is a great location for us. The amenities are incredible; you never need to waste time going off site," said Austin. "Cummings' staff is also great. From administrative staff to account managers to field employees, everyone is so nice and helpful. You always see employees stopping to help direct visitors around the buildings."

Austin's fondest memory is having his son spend time in the office. He has watched his son grow with the business. "Just the other day, he was here doing his homework. He's also right behind you!" he joked, pointing to the large vinyl graphic of his son.

"NSFFL is one of Cummings Center's many success stories. Austin started in a single office, and has grown exponentially over the past 10 years," Account Manager Justin D'Aveta said. "We wish Austin and his colleagues many more years of providing fun opportunities for youths and adults to enjoy recreational and competitive flag football."
