Upcoming Event

[Circuitry Recycling](#), 100 Cummings Center, Suite 246-E, will host an electronics recycling event **Wednesday, September 25, from 10:00 AM to noon**, at 100 Cummings Center's **[165-K loading dock](#)**. NOTE: In order to better serve all clients, we relocated this event from the 144 loading dock, where it has often been

held previously. To ensure safety, please deliver items for recycling directly to personnel managing the event; do not leave them on the loading dock. [Click here](#) for a complete list of recyclable items. For additional information, contact Michael Eduardo at 978-969-1472.

Friendly Reminders

Don't Dent and Run! Please be courteous to your fellow Cummings Center residents by taking an extra moment to open the car door with care after parking. Even when in a rush, please look before opening the car door to avoid damaging an adjacent car as well as your own. Thank you for your consideration.

Safety First: Please remember that proper driving etiquette on our busy campus is *critical* to the safety of pedestrians and other drivers. Motor vehicle operators should heed all traffic signs, including pedestrian crossings and one-way signs. Please observe the **10-mph speed limit** at all times when navigating the site, including on-site garages. One-way entrance and exit driveways must be used only as designated. No matter how rushed, be on the lookout for pedestrians and vehicles backing out of parking spaces, and remember to *always* drive with caution and help keep Cummings Center a safe place for everyone.

Noteworthy News

[North Shore Technology Council](#) has initiated a leadership roundtable in conjunction with [North Shore InnoVentures](#) and the Massachusetts Technology Collaborative called The Tech Hub Executive Leadership Roundtable. Based on a proven model of facilitated peer-to-peer leadership groups, the program will enable local executives to address their critical business and organizational issues in a monthly series of confidential small-group sessions to help achieve their corporate objectives and personal goals.
