## Friendly Reminder

---

**Be Careful, Be Courteous:** Please remember that proper driving etiquette on our busy campuses is *critical* to the safety of pedestrians and other drivers. Motor vehicle operators should heed all traffic signs, *especially* pedestrian crossings and one-way signs. Please observe the **10-mph speed limit** at all times when navigating the site, including in the parking garages. One-way entrance and exit driveways must be used only as designated. No matter how rushed you may feel, be on the lookout for pedestrians and vehicles backing out of parking spaces, and remember to *always* drive with caution. Help us keep Cummings' campuses safe for everyone.
