Friendly Reminders

Mulch is Flammable: It is essential that all cigarettes be fully extinguished and disposed of properly. **Never** toss cigarette butts into landscaped areas, as bark mulch is flammable. Improperly disposed of cigarettes are a frequent source of landscape fires, which can quickly spread to buildings and vehicles, causing needless damage. Thank you for your cooperation, and please pass the word along to colleagues and friends.

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

Before the days of widespread automobile ownership, workers commuted by train. All mainline trains out of Boston stopped at The Shoe, and special passenger trains delivered employees directly to the factory's front yard.
