## All Profits Nonprofits Cummings

**Joyce** and **Bill Cummings** traveled to Rwanda to celebrate with the first class of graduating physicians and surgeons at University of Global Health Equity (UGHE). During the ceremony, the pair was immensely honored to receive the inaugural Paul E. Farmer “Bending the Arc” Award

in recognition of their contributions to advancing the mission and legacy of late global health champion **Dr. Paul Farmer**. Joyce, Bill, and several UGHE leaders were also privileged to share an evening with **His Excellency Paul Kagame**, president of the Republic of Rwanda, and **First Lady Jeannette Kagame** at their residence in Kigali.

**Cummings Foundation** co-founder **Bill Cummings** (right) and executive director **Joyce Vyriotes** joined friends from Franklin Cummings Tech for an open house at the historic institution's new campus in Nubian Square. Read this exceptionally well-penned article from *The Boston Globe* for an engaging look at Boston's only technical college.

*To Cummings Properties' more than 2,000 leasing clients, thank you for your tenancy, which is so enormously helpful in funding the Cummings organization's good works.*

## Local News

Cummings extends its deepest sympathies to the friends, family, and business associates of revered local philanthropist **Caleb Loring III**, who passed on Christmas Eve following a lifetime of generosity and service. Loring's legacy

will endure through the many Cummings Center organizations that benefited from his support, and in communities throughout the North Shore and beyond.

## The Latest at Cummings

NAACP North Shore Branch members met at 900 Cummings Center to view a mural honoring inventor Jan Ernst Matzeliger, a Black American who's creation and subsequent fine-tuning of the shoe-lasting machine (patented in 1883) revolutionized the shoe industry. [See more via Facebook](#).
