Friendly Reminders

Snow Parking: When snow removal or plowing is underway, all after-hours parking must be in the garage, as this allows the dedicated members of Cummings' Snow Team to clear the more than 1,000 surface parking spaces and travel ways on the TradeCenter 128 campus. Please park against the interior walls of floors two and higher to stay clear of any blowing/drifting snow and cleanup operations. Any vehicle preventing the thorough removal of snow WILL be towed at the owner's expense. We appreciate your compliance with our Winter Parking and Towing Regulations.

Smoking Law Reminder: In accordance with Massachusetts' Smoke-free Workplace Law, smoking, vaping, and e-cigarette use are prohibited at all

times *anywhere* inside Cummings' garages or buildings as well as *within 30 feet* of any building entrance.

Please also remind all after-hours staff that building entrance doors *may not* be propped open at any time, including for employees leaving the building for a smoke break. [Learn more](#) about anti-tobacco legislation.

No Room for Files? Are your files becoming unmanageable? If you find yourself struggling to make room for extra boxes of inactive files or merchandise, keep in mind that there are inexpensive storage spaces available in many of our buildings. Whether a client is looking to store items for the full term of a lease or just a short time, we'll be happy to find a little extra space. Please call your account manager to discuss available options to help declutter your office.
