The Next Frontier

Cummings Properties is expanding its portfolio with an expansive new business campus housing 330,000 square feet of Class-A office and R&D space at 174/176 Middlesex Turnpike in Bedford.

Veteran reporter **Jon Chesto**, of *The Boston Globe*, likens this strategic investment to one made some 30 years ago, when Cummings acquired and

transformed the derelict site of the former United Shoe in Beverly. And **Grant Welker**, of *Boston Business Journal*, has additional details on this upcoming expansion to a 12th suburban community.

Do you know someone who's looking for high-value commercial space in greater Bedford? Connect your contact(s) with Cummings for your chance to earn substantial Rewards for Referrals.
